A Training Workshop for District Committees

When: Tuesday, April 24 from 6-9pm
Where: LDS Church at 360 South 5th Street, Camp Verde

This District Committee Training Workshop offers insight on how to create a successful district. Helps you and your District Committee start its year as a focused, well-coordinated group of Scouters; better prepared to achieve the mission of the District and Council.

This course is recommended for:

- District Chairs & Vice Chairs
- New-Unit Organizers
- Committee chairs and members of District Membership, Finance, and Training Committees.
- Order of the Arrow Advisors
- Members of Camping & Outdoor Program Committees,
- District Activities & Civic Service Committees
- District Advancement & Recognition Committees
- or anyone with interest in these areas will benefit.

Whether you are already a District volunteer, new to the job, or are just interested, this evening program will show what your responsibilities are on the District Committee.

Experienced volunteers and professional Scouters will lead sessions that also explore how to work together and accomplish these responsibilities. Plus, you will have the chance to build relationships that will help you as a District volunteer. We anticipate Scouters form Zane Grey, Old Capital, Az Route 66 and Verde Districts participation and perhaps a few from other Districts.
