

Should Our Troop Host an *In Person* Recruitment Event?

Does your Troop currently meet in person?

Yes

Conduct an In Person Recruitment.

No

Model your recruitment after your current meetings.
(Be that Zoom or Facebook, or other)

How?

With your volunteer district membership team and/or your District Executive, follow the basic steps from the playbook adapted to a virtual meeting.
Share the adventure the new families can expect. Provide a calendar and contact list for Troop Leadership. Demonstrate how to use a Hot Spark and assure them the new Scouts will be given that item at the first event.

But be sure to invite and welcome additional families to Scouting!
