

Merit Badge Counselor Special Qualification Guidelines

In addition to the adult application and the merit badge counselor application, the following documentation/forms have to be submitted for the specific merit badges listed below.

Special Qualifications are required to instructors for certain merit badges and require additional documentation. These badges are explained in Chapter 7 of the [Guide to Advancement](#). For these badges, the prospective Merit Badge Counselor must provide a copy of current certification **OR** a letter specifying that instruction and activities for the merit badge will be conducted by a currently certified instructor as described below:

General Supervision Requirements

Counselors for merit badges involving swimming or the use of watercraft must be so trained, or use helpers who are.
- All physical activities presented in any Scouting program must be conducted in accordance with the "SAFE Checklist." These four points, embodying good judgment and common sense, can be found at www.scouting.org/health-and-safety/safe.
- CPR instruction, wherever it is required, must be taught by people currently trained as CPR instructors by a nationally certified provider, such as the American Red Cross, the Emergency Care and Safety Institute, or the American Heart Association.
