WOOD BADGE

"Having participated in Wood Badge in 2014, staffed the course in 2022 and 2023, **I can confidently say it's the best adult leadership program. The tools, lessons, and connections I gained surpassed any other course, benefiting both my Scouting and corporate life.** I recommend Wood Badge for those looking to elevate their Scouting, personal, and professional journey! "

STEPHANIE | COURSE LEADER

"Cub resident camp brings back many memories. **The most impactful is watching my son become a leader.** His last year in Cub Scouts marks a transition to new adventures. **Witnessing him mentor younger Scouts, from catching crawdads to knife skills, highlights Scouting's role in shaping him into a capable leader.**
